

REQUEST FOR QUALIFICATIONS
FOR
PROFESSIONAL SERVICES

The City of Defiance Water Pollution Control Division is issuing a Request for qualifications (RFQ) for professional services in connection with the preparation of plans and specifications for the following project:

ELECTRICAL GENERATION USING METHANE GAS

This project will use Anaerobic Digestion methane gas to provide a renewable energy source.

Qualifications and all correspondence relating to this RFQ shall be submitted to:

City of Defiance Water Pollution Control Division
Mark A. Lehnert, Superintendent
26273 State Route 281 East
Defiance, OH 43512-1904

Qualifications shall be received no later than 1:00 P.M. on Wednesday, February 22, 2012. The qualifications should be clearly labeled on the envelope as "WPC Renewable Energy Source Project".

Consultants requiring any information related to this project may direct inquiries to Mark A. Lehnert, Superintendent, at 419-782-0841 or at the address above. Responding consultants shall submit three (3) copies of their qualifications. At a minimum, the RFQ should include the following information: firms identification, project team, experience statement emphasizing similar projects, and references. Similar project experience should be related to Anaerobic Digestion system upgrades of similar nature.
