**PROFESSIONAL SERVICES**

The City of Defiance Water Division is issuing a Request for Qualifications (RFQ) for professional services in connection with the preparation of plans and specifications for the following bundled projects:

**North Side Transmission Main**  
**North Side Booster Station**  
**Maumee River Crossing**

These projects are related to the North Side Transmission Main Study, and address the improvement of water flow to the north side of Defiance City.

Qualifications and all correspondence relating to this RFQ shall be submitted to:

City of Defiance Water Division  
Adam J McDowell, Water Superintendent  
1356 Baltimore Street  
Defiance, Ohio 43512-1904

**Qualifications shall be received no later than 1:00 P.M. on Wednesday, November 9, 2011. The qualifications should be clearly labeled on the envelope as “Water Division Transmission Main Project”.**

Consultants requiring any information related to this project may direct inquiries to Adam J McDowell, Water Superintendent, at (419) 782-1886 or at the address above. Responding consultants shall submit three (3) copies of their qualifications. At a minimum, the RFQ should include the following information: firms identification, project team, experience statement emphasizing similar projects, and references. Similar project experience should be related to water system upgrades of similar nature.
